

SENIOR
SPOTLIGHT
BY SARAH CRAFT

Our Senior Spotlight for October is Mr. Brett Belew!! Brett wants to go to the College of Charleston & major in Dramatic arts & minor in teaching English. Brett wants us to remember him by having fun with a lot of laughter involved too. Brett has been in JAG for 2 years now & is the VP of Public Relations. He helps other JAG members whenever they need it. His favorite subject in High School is English.

Congratulations to Brett Belew for being our senior spotlight for October.

JAG

Walk for Life

By Brandi Cox

JAG and many other students and staff from Swansea High School went and walked 3 miles for breast cancer. It was amazing how many people came to support the cause. There have been so many affected by this that have passed away, but so many who have survived and still are fighting to survive today. It is great that so many young people would give up a part of their Saturday to support an important cause. Thank you to everyone who came.

Three Years Running!

By: Brett Belew

Thank you Dr. Lavender and Mrs. Hightower for coming to all of our I&I's for three years straight. We thank you for all your support. Devon James and Nehemiah Dixon also share this accomplishment and presented them with an appreciation award.

*For all who support us, we say
THANKYOU!!!*

Alumni Day

By Brandi Cox

Darnell Williams and Tiffany Bookhart came to visit us on our Alumni Day to tell us all about college and the real world. Darnell is currently employed at the Krispy Kreme, interns for Congressman Jim Clyburn, and attends Midlands Tech, majoring in accounting. Tiffany has been employed with Waffle House for 3 and 1/2 years and is planning to attend Midlands Tech in January to start her career in teaching.

Guest Speakers

By: Mercedes Harsey

*On Wednesday, October
26, 2011*

*Deputy Blasingame came
to our JAG class to
speak to us about how
important Red Ribbon
Week is, drugs, and the
effects of drugs. He
told stories including
how K2 and bath salt
have killed 2 people in
one week! Drugs are very
unhealthy and not safe
at all.*

Pledge to be drug free!

STUDENTS OF THE MONTH

By: BRUTHON HOUSER

*Congratulations to our October students of
the month:*

Teandria Livingston

Brandi Cox

Daniel Sistrunk

*These students are re-
ceiving this reward for
their hard work and the
commitment they have
put into this class and
around the school. They*

*go above and beyond when it comes to get-
ting work done, and help others finish also.
They have been to all the JAG ceremonies
and events; they are the prime examples of
what JAG can do for you and your life. They
all have the quality of being good leaders
and they always are
the first to volunteer
when time comes. This
is why they are stu-
dents of the month.*

Holly wood Rumble

By: Bernard Bowen

*This year's Hollywood Rumble
had a great turnout. Hosted by
Veronica Alvarez and Bernard
Bowen, many people showed up
and watched students perform.
We also had a teacher, Mr. Ko-
moroski, perform. Some students
performed songs and others did
acts. We also sold food (chips &
drinks). JAG raised over \$200
this year at the Hollywood Rum-
ble (yayyy). Everybody had an
amazing time and hopefully
next year it will be even better!*
