## 2023-2024 OVERALL CONNECTIVITY RATE (AFFILIATES)

Recognizing State Affiliates that met or exceeded the Connectivity Rate goal every month throughout the entire 12 months of the Follow-Up Phase.

Alabama = 95.49%  
Louisiana = 99.79%  
North Carolina = 98.12%  
Nebraska = 96.93%  
Nevada = 97.57%  
Tennessee = 98.78%  
West Virginia = 97.25%

# JAG DISRUPTOR AWARD

This award honors JAG Affiliates who are at the forefront of using technology to advance and innovate the implementation of the JAG program.

## **JAG Kansas**

Pioneering the use of the Headrush learning platform for statewide event management, JAG Kansas has transformed event coordination and tracking across the entire state. They are also exploring the Future Ready by RingoRang app for data collection.

## **JAG North Carolina**

Exploring financial literacy through Virtual Reality, JAG North Carolina's successful pilot program with our National partners from Bank of America / Skills VR team is now expanding statewide and including affiliates in Nevada and Arizona for broader implementation.

## **JAG Nebraska**

JAG Nebraska is taking the Headrush platform by storm, excelling in its use as a central hub to coordinate strategic planning for curriculum planning, training and professional development, communication strategies, state events, and student opportunities with employer partners, significantly enhancing the efficiency of state management.

## **JAG California (J4CG)**

Empowering their JAG network through Trauma-Resilient Educational Communities (TREC), Jobs for California's Graduates is implementing virtual training and badging on trauma-informed care (TIC). Additionally, they are recognized for their innovative approach to using virtual gamification to reach their Out-of-School online programs and increase student engagement across the state.

## **JAG Louisiana**

JAG Louisiana has demonstrated outstanding performance in adopting and utilizing the JAGForce platform in their first year. They excelled in data entry and documentation, with their comprehensive data across various categories setting a new standard among new JAGForce affiliates. Their proactive engagement and dedication to leveraging technology underscored their leadership in advancing program efficiency within the JAG community.

## **JAG Michigan**

JAG-Michigan is recognized for fully embracing and utilizing the JAGGenius platform to create a comprehensive hub for professional development resources and opportunities for their leadership in advancing program efficiency within the JAG community.
