2025 SPONSORSHIP OPPORTUNITIES

National Training Seminar July 14-18 | Louisville, KY

JAG's National Training Seminar is the most extensive professional development experience for the JAG National Network. Over 600 JAG Specialists attend JAG University courses with specialized tracks based on level of experiences, where they gain inspiration, take home deeper skill sets, and build robust professional networks with the best JAG Specialists, managers, trainers, and administrators from across the United States. Dozens of employers and education partners host workshops to bring innovative content and best practices directly to JAG Specialists as they prepare for their new JAG class. The week also serves as an opportunity to recognize and award our outstanding staff for all their hard work throughout the year.

	PRESENTING \$100,000	GOLD \$75,000	SILVER \$50,000	BRONZE \$25,000
