— THE FIVE FORMATS

HOW EDGE IS BUILT.

EDGE runs on five distinct session formats. Each is designed for a different kind of contribution — listening, building, testing, or experiencing. Skim the cards below before you build your schedule.

01

MAIN STAGE

KEYNOTE

Headline conversations from leaders, artists, and changemakers shaping the future of work and youth.

02

90 MINUTES

LAB

Expert-facilitated think tanks tackling the toughest questions in education-to-employment. Collaborate and contribute to published insights.

03

60 MINUTES

WORKSHOP

Fast, practical skill-builders led by practitioners. Walk out with tools, frameworks, and strategies you can use Monday morning.

04

DROP-IN

SANDBOX

Open, hands-on spaces to test tools, platforms, and assessments. Try. Test. Tinker.

05

FIELD EXPERIENCE

IMMERSION

Field experiences with industry partners — talent pathways and real-world work environments.
